The information sessions give an outline of what is covered in the class, details of the program and what is expected from each participant. Candidates interested in the first free Training Class of 2018 scheduled to begin **August 27 must attend only one of the informational sessions**. Class space is limited.

The Employment Skills & Training is a free program that helps residents in Mahoning County

learn the basic work related skills that can be used in any position they are seeking. **The program is designed to assist individuals to overcome work-related barriers. This training is a win-win situation for the employee and employer.** This includes motivational training, interviewing techniques, computer literacy, financial literacy, how to write and format a resume, mock job interviews, placement assistance and other several useful job related topics and life skills.

***The six-week class runs through October 4, 2018 at MYCAP, 1325 Fifth Ave. Potential candidates must be a Mahoning County resident 18 years of age or older, graduated with a high school diploma or working towards completion of a G.E.D. The program is designed to assist individuals to overcome work-related barriers. This training is a win-win situation for the employee and employer. Veterans, long-term unemployed and individuals with legal problems are encouraged to attend. All chosen participants will receive a free portfolio, flash drives, interview clothing, job placement assistance and possible financial assistance to overcome employment related barriers regardless of criminal or financial backgrounds.**

In addition, all participants must be income eligible at or below 125% of the federal poverty guidelines, which are listed below.

Federal Poverty Guidelines – 125%

Size of Family	Annual Income
1	\$15,075
2	\$20,300
3	\$25,525
4	\$30,750
5	\$35,975
6	\$41,200
7	\$46,425
8	\$51,650

For families with more than 8 people in the household, add \$4,180 per person.

The Mahoning Youngstown Community Action Partnership will strive to alleviate and prevent the causes of poverty. They plan and implement quality services designed to educate and empower eligible residents of Mahoning County with a goal of moving toward self-sufficiency.
