

OCTOBER

ENERGY AWARENESS MONTH

Energy's "**Leading by Example**" theme is the perfect reminder to take a closer look at your energy use. By taking just a few easy energy efficient steps, you can decrease your energy bill and energy use all year long and have a positive impact on the environment.

Energy Savings Tips

- Unplug unused electrical devices
- Weatherize your home
- Maintain home heating and cooling equipment
- Check your thermostat
- Check for air leaks
- Dust or vacuum radiators
- Adjust your blinds
